Sauk County Latino Population Brief

Chart 4. Types of Family and Non-Family Household Living Arrangements

The chart above shows the county proportion of all Latino households in each of the categories for 2000 and 2010. Statewide, the Latino population is more likely than the total population to live in family households.
The chart above shows average household size for the county’s Latinos in 2000 and 2010. Statewide, Latino households declined in size over the ten year span.

The chart above shows homeownership rates for Latino households in the county. Statewide, there was a slight decrease in owner occupancy between 2000 and 2010.
